Natural Gas Agreement

Price: Buyer agrees to utilize Santanna Energy Services (Seller) as its exclusive natural gas supplier and Seller is to provide Buyers gas requirements at a Index-Based Rate that fluctuates each month and is calculated utilizing the monthly index for natural gas deliveries to the Chicago area published in Natural Gas Intelligence (NGI) by Intelligence Press, Inc., plus 6 cents/therm. Buyer will purchase its full gas requirements from Seller, execute the necessary documents, and meet the credit requirements of Seller. The program will include a Nicor Gas program related charge monthly. All utility company related charges are the responsibility of the Buyer.

Term: The term of this Agreement is for three years starting with Buyer's first Nicor Gas billing cycle on the "Customer Select" program. Near the end of the initial term, Seller will send Buyer notification of its new rates and give Buyer the option to extend this Agreement. If at any time Buyer is not completely satisfied with the decision to participate in this program, and Buyer elects to return and remain with the utility as a sales service customer throughout the term of this agreement, then Seller shall agree to terminate this Agreement. Buyer shall give Seller a minimum of 30 days notice prior to the termination date (termination date must be the last day of a calendar month). Buyer need only pay for the gas delivered prior to the termination date of the buyer from seller's pool by Nicor. If buyer exits this agreement for any other reason, buyer shall pay seller \$.03 per therm for the calculated deliveries seller would have made, during the time from buyers exit date throughout the remainder of this contract. The due date of this payment is the exit date.

Payments: Bills not paid by the due date on the Sellers invoice (or invoice of that entity invoicing for Seller) shall bear interest at a rate of 1.5% per month. Seller reserves the right to terminate this Agreement for non-payment without prior written notice. Any cost, to include legal fees, associated with collecting outstanding amounts owed Seller under this Agreement, shall be paid by Buyer. Title to Natural Gas sold hereunder will transfer at a location outside of the State of Illinois. Currently, there are no state or local taxes assessed on services or goods provided under this Agreement. In the event this tax law changes, Seller would collect from Buyer such taxes and remit them to the appropriate taxing authority. Buyer is responsible for, and shall reimburse Seller for, 1) transportation or transportation related charges and 2) any taxes paid by Seller on Buyers behalf related to Gas Sales and transportation under this Agreement.

Credit: Buyer represents that they are financially able to continue business, are unaware of any situation that would alter Buyer's financial abilities, and have not previously filed, plan to file, or are currently involved in any bankruptcy proceedings. This Agreement is subject to credit review by Seller at any time upon proof of poor payment history. Seller, at its sole discretion, may cancel this agreement, without notice, if Seller interprets credit as a concern.

Agency Agreement: Buyer authorizes Seller to act as exclusive agent for all matters related to services under Buyer's utility transportation program, including the purchase and delivery of gas to facilities described below. This authorization includes, but is not limited to the right to obtain billing and payment histories, receive future statements regarding Buyer invoices from the utility, and to execute, amend, or cancel agreements between the utility and Buyer.

Miscellaneous: The provisions of this Agreement extend to the successors and assigns of either party. This Agreement will be construed and enforced according to Illinois law, without regard to principles of conflicts of law. The parties agree any litigation will be conducted in a court located in Illinois. This is the entire agreement between the parties. There are not promises, agreements, warranties, obligations, assurances, or conditions precedent or otherwise affecting it. A waiver by either party of any one or more defaults by the other in the performance of any provisions of this Agreement shall not operate as a waiver of any future default or defaults, whether of a like or different character. The parties agree there is no third party beneficiary of this Agreement and that the provisions of this Agreement do not impart enforceable rights to anyone whom is not a party.

Natural Gas Agreement

Price: Buyer will buy all his/her natural gas (quantities discussed below) from Santanna Energy Services ("Seller") at an Index-Based Rate that fluctuates each month and is calculated as follows: the Chicago Citygate monthly index, column heading "Avg.", biweekly issue, published in Natural Gas Intelligence (NGI) by Intelligence Press, Inc. ("Index"), plus 6.0 cents per therm. Buyer shall also pay an additional fee of \$3.00 per month to Seller. Buyer is responsible for all Nicor and Customer Select-related charges.

Term: Commencing with Buyer's first billing cycle in the Nicor Customer Select program with Seller as Buyer's Alternative Gas Supplier and continuing for 36 months thereafter ("expiration date"), then continuing month-to-month thereafter unless terminated with proper notice outlined herein. Either party may terminate this agreement with at least 30 days' notice prior to the expiration date or its monthly anniversary thereafter. Buyer may terminate this agreement for any reason within the first 60 days of gas deliveries by Seller; provided, however, that Buyer shall pay for any gas delivered by Seller to Buyer prior to the date of last deliveries by Seller. If Buyer terminates this agreement, either affirmatively or by non-payment, after the aforementioned 60 day period but before the expiration date, Buyer shall pay Seller \$100 as an early termination fee.

Quantity/Storage: This is a requirements contract. The amount of gas delivered by Seller to Buyer shall be determined by Nicor. The quantity shall be deemed equivalent to Seller's requirements on an annual basis. The quantity will not equal Buyer's usage each month, except by coincidence. Rather, Buyer understands that s/he will buy more gas in the warmer months, which will be stored for Buyer's use in the colder months. Accordingly, Seller's gas deliveries to Buyer may exceed Buyer's gas usage in a given month, or vice versa. Buyer shall pay Seller each month based on the quantity of gas delivered and not based on the quantity of gas used. If either party terminates this agreement, Seller will credit Buyer for the gas remaining in Buyer's storage account at the end of the last day Buyer is a customer of Seller, per NICOR, as follows: the rate of 90% of the most recently published NGI weekly index prior to the last day of service, which is the same calculation method used by Nicor.

Payments: Invoices not paid by the due date on Seller's (or Seller's billing agent's) invoice shall accrue interest at a rate of 1.5% per month. Payments will first be applied to outstanding fees and interest, then to outstanding principal. Buyer shall pay any costs incurred by Seller related to this agreement, including Seller's legal fees and arbitration and court costs. Title to natural gas sold hereunder will transfer at a location outside of the State of Illinois. Seller may setoff amounts Buyer owes it by, including but not limited to, reclaiming Buyer's stored gas and giving Buyer a credit as set forth above. If taxes are

assessed on goods or services related to this agreement, Buyer shall pay Seller for any such taxes that Seller is required to remit to any taxing authority.

Limited Agency Agreement: Buyer authorizes Seller to act as exclusive representative for all dealings with Buyer's utility including the delivery of gas to Buyer's facilities, the right to obtain billing and payment histories, receive future statements regarding Buyer's invoices from the utility, and to execute, amend or cancel agreements between the utility and Buyer. Neither this agreement nor any course of dealing between Seller and Buyer shall create any fiduciary obligations, and Seller's obligations are strictly limited to those expressly set forth herein.

Miscellaneous: The provisions of this agreement extend to the successors and assigns of each party. This agreement will be construed and enforced according to Illinois law. Buyer waives the right to a jury trial. Except as otherwise stated herein, all claims, disputes and controversies relating in any way to this agreement shall be submitted to the exclusive jurisdiction and rules of the American Arbitration Association in Chicago, Illinois under its Commercial Arbitration Rules. Any award rendered by the arbitrators shall be binding on both parties, non-appealable and entered in a court of competent jurisdiction. Notwithstanding the foregoing, Seller shall have the right to seek recovery of amounts due from Buyer under this agreement through the judicial process without necessity of arbitration, in which case Buyer may raise affirmative defenses, but any counterclaim brought by Buyer shall be subject to the mandatory arbitration provision herein. Seller maintains the right to opt for arbitration of any claim at any time. This is the entire agreement between the parties. Other than those specifically set forth herein, there are no promises, agreements, warranties, obligations, assurances, or conditions precedent between the parties. Seller's waiver of any one or more defaults by Buyer in the performance of any provisions of this agreement shall not operate as a waiver of any future defaults, whether of a like or different character. Under no circumstances shall Seller be liable to Buyer for any incidental, consequential or punitive damages. The parties agree that there is no third party beneficiary of this agreement and that the provisions of this agreement do not impair enforceable rights to any non-party. Seller reserves the right to terminate this contract, at its sole option, if Nicor tariffs change or other laws affecting the Customer Select program, including tax laws, are changed, or if Seller is no longer certified as an Alternative Gas Supplier.

Customer Service: Buyer may contact Seller by mail at: Santanna Energy Services, 120 E. Ogden Ave, Suite 236, Hinsdale, IL 60521; or by telephone at 1-877-SES-4GAS. Fax: 1-800-877-0673 - rev 7-15-02.
